Xingu Mission Field Report

The Colina Church

Ross and Karen Hansen and family have returned from furlough to an exciting time for their church, it is bursting at the seams with growth. Ross and Karen are the worship leaders for the church, as well as being part of the leadership of the Colina church, in a small neighborhood in Altamira. Ross and Karen are long time missionaries with the Xingu Mission.

The pastor of the Colina church is Kinney. Kinney and his wife, Rose, have 2 children with a third on it's way. The church is 7 years old and has outgrown its building. Kinney finds that pastoring requires more of his time and is asking for God's provision

so he can devote his attention to the church full time. It is exciting to see the church has grown with new believers. The vision is to continue to reach out to the community around the church, train new believers and multiply the church.

small room for Sunday school, the meeting room is full of adults, and training and evangelizing has become difficult with no room to seat more people. With a full time pastor and a

larger building, Kinney, the Hansens, Daisy, and other key helpers in the church would be able to evangelize more, train more leaders, and separate the children into smaller classrooms. Please keep the Colina church and its leaders in your prayers. *xm*

Wheelchair Project

Steve and Elba Dolan with the generous support of the Matt Dolan Foundation www.mattdolanservicefund.org have been helping handicapped children in Altamira. Since the projects inception a little over a year ago we have provided 13 wheelchairs, various medical and dental services, housing, and two part time workers to clean the facilities for handicapped children in Altamira. The Lord has and is continuing to move through this outreach by reaching out

Nathalia and her Grandmother

His hand of love toward this community. One example is Nathalia, who was abandoned by her birth mother when she started a new relationship with a man and this man did not want Nathalia to be a part of their family. When we made contact with her we discovered that Nathalia had many rotten teeth and her wheelchair was completely inadequate for her. Praise God in the following months we arranged Nathalia to have surgery to remove 8 rotten teeth and now she has been sleeping and eating much

Bebeto

In complete despair and no where to turn, Bebeto threw himself in front of a truck screaming “kill me now”, luckily the truck missed. After hearing about Bebeto’s attempt to commit suicide, a lady from the Colina church approached Bebeto to talk and listen. Bebeto shared that he had completely destroyed his life because he was addicted to drugs, pornography, and participated in prostitution. His activities destroyed his family and they left him. The lady told him about God’s redeeming love and that God could heal all of his problems if he would trust in Him, and then she introduced him to Pastor Kinney. Kinney took him under his wing and began discipling him for two years. This two year commitment of working with Bebeto has developed him into a very strong leader. Jesus came into his life and has completely restored him. He is free of drugs, pornography, prostitution and his family has been completely restored. Bebeto has been leading a bible study for the last 8 months and his excitement for the Lord is exceptional. *xm*

better. Then we purchased a new wheelchair that is perfect for her. This wheelchair has security seat belts so that she will not fall from the chair, and it is built extremely well to face any adverse conditions on the street. It also has the

ability to tilt back and forth for more comfort. Plus, with every wheelchair we give each family a bible. The new wheelchair has given her a new lease on life and has opened up doors to the outside world that was once very difficult to experience. *xm*
