NEWSLETTER

OCTOBER 2022

Hello everyone, thank you for connecting with me through the newsletter. I really appreciate the support and prayers from everyone.

In this newsletter I want to introduce a new missionary family to the Xingu family. Derek and Amanda Blaylock and their four children. They come to us from San Antonio, Texas. Derek has been pastoring a Vineyard church there. Derek is also working on a Masters degree in Christian Spiritual Formation and Leadership from Friends University in Wichita, KS. Since he was 16 years old Derek has been praying for Brazil. So, we are privileged to be working with him and Amanda here in Macapá.

Just an update on the wheelchair project. The trip has been delayed due to civil unrest in Bolivia. At least up to two weeks. But, a church member is visiting a relative in Santa Cruz where we are going. He has communicated with us that conditions are sever. Police have locked down the City. There is no travel allowed. People are not permitted on the streets. So please pray for us as well as the ministry that is in Santa Cruz.
