DECEMBER 2022

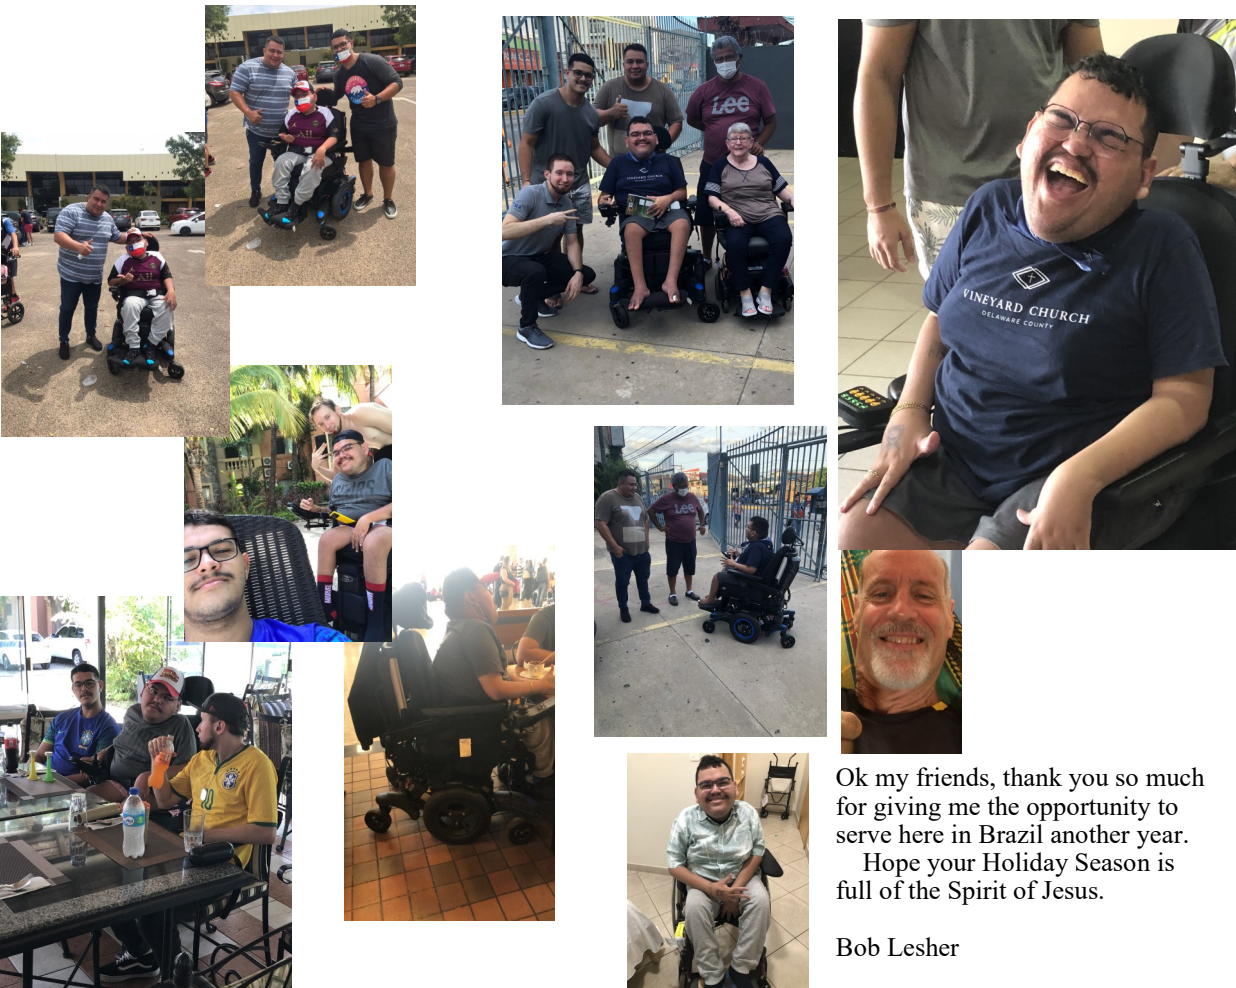

Hi everyone! Thank you so much for your support during this past year! The Lord has done a lot through us all!

Well, I am very happy to report to you, we traveled to Santa Cruz de la Sierra, Bolivia and were able to successfully get Anthony's chair, PRAISE THE LORD! Jesus did so many things to keep us on schedule, get the right taxi, fill out forms properly, deal with covid issues ect.

The Ministry from the United States, "Friends of The Disabled Latin America" , was outstanding. They took care of all the immigration issues with the chair, my visa, and getting a hotel. They did an excellent job for us! So, after 15 months of research, making connections and working to effects the life "of one the least of my brothers" as Jesus stated in Matthew 25:40, by God's Grace we were able to it. So thanks to all of you that prayed, and give to the ministry, thank you for your faithfulness.

Below are some pictures from the trip. So, I'll explain some things, The Young man with Anthony and me is John John. He is the same age as Anthony and they have known each other for "ever". John regularly takes of Anthony. So, He really worked hard to make sure Anthony was ready for the days travel and events. The other young man is Zach. We really got attached to him. We watched Brazil get beat in the quarter finals in the World Cup. We really had a good time together. The others are Judy seated in a chair. She is 82. This is her last mission. Above her is Alberto. He is Peruvian. They met while Judy was a missionary in Peru. The other man is their helper(I didn't get his name it's a difficult name) he's Brazilian living there in Santa Cruz.

Ok my friends, thank you so much for giving me the opportunity to serve here in Brazil another year.

Hope your Holiday Season is full of the Spirit of Jesus.
