## NEWSLETTER

FEBRUARY 2023

Hi every one. Thank you for taking time to read the newsletter. I appreciate your interest in the ministry as well as your prayers and financial support. I know it's been awhile since I've written. So, I want to give you an update.

First, both Churches are growing! There have been new couples attending services and small groups recently. Three of those couples are taking steps to get involved. One couple are greeters and helping with children's ministry during weekend services.. The other two have started worship training with Denise. Second, the new Youth group at Vineyard Macapá started with 25 youth . This was very exciting to see. Erica, the group leader, was effected by a youth group in her young life. This gave her the vision and desire to start a group at the church. Third, the children's ministry's is outpacing everything else! This is headed by Luana, the daughter of Leio and Lêda. This family has a great love for the children. The children are always greeted with big hugs and kisses.

Below are pictures of new couples and visitors from recent services.

OK friends, thanks again for your support! Please keep us in your prayers. Pray for health and wisdom!
