## NEWSLETTER

AUGUST 2023

Hello everyone thank you for reading the newsletter. Thank you so much for the support you have been proving these past months. It has been a real blessing for me serving the Lord here in Brazil. This will be the last newsletter for the year. I will be in the States until January 2024. So, thanks once again!

We recently had a "Love in Action" event. Below are some photos of the event and some other pictures. Looking forward to seeing you all! Bob Leshner
