NEWSLETTER

FEBRUARY 2024

Hello everyone, Hope you are doing well. Good to connect with you through the newsletter!

This month we finished a much needed project at the church. We needed to replace the septic tank that had been a concern for some time. The Lord blessed us with a great company. They normally just dig the hole and set the tank only. But for us, they were willing to contract a company to pump out the old tank, install all the necessary plumbing, back fill the old tank and discard all the remaining dirt. So, it was such a blessing to have all this done.

Some exciting things coming up in March. 1st- I got word recently the city has begun the initial work for asphaltting the road in front of the church. We have been waiting for this for a long time Thank God it's starting!

2nd- Léo and Lêda will be ordained as pastors at the Vineyard Macapá church. This is a great event for the Xingu Mission, The National Vineyard Brazil, and the Macapá church, and for them personally. Above all, it's exciting to see the Kingdom of God being spread here in Brazil. Thank you for supporting us here and helping make these things happen !

"Can I pray for you?"
