## NEWSLETTER

March 2024

Hello everyone, Thanks for taking time to read the newsletter. I hope each of you had a wonderful Easter celebrating the Greatest event in history! Thank you so much for the prayer and financial support.

This month's letter is about Léo and Lêda becoming the official Pastors of Vineyard Macapá. Our senior Pastors, Christopher and Denise Meyer have been working with them for several years preparing them to take over as pastors. I feel this will be a fluid transition. They are hard working people. They have accepted a lot of responsibilities already. I'm really proud of them. I'm looking forward to working with them as senior pastors.

One of Léo and Lêda's first changes was to move the weekend service from Saturday to Sunday. So, their first service as senior pastors was on Easter Sunday! It was a great service. I was excited for them, as well as, Gods plans for the Church. So, Please keep them in your prayers.

Páscoa is Easter here in Brazil. It was particularly exciting. Celebrating Jesus as our risen Lord and Léo and Lêda's first service as senior Pastors. This added to the spirit and excitement of the service.

These photos are of the Ordination of Léo and Lêda. Pastor Clenildo, one of the National leaders of Vineyard Brazil, came and preached and presided over the ceremony.

To the right is a foot washing ceremony. It is common here in Brazil.

Ok my friends, Just a short update. Thanks for your time. Please keep us in your prayers!
