FEBRUARY 2025

Hello everyone, I hope you are doing well. Thank you for your participation with this ministry through your prayers and support. I really appreciate it. Thanks for taking time to read the letter as well.

This month was the annual mission retreat. Joel Seymour of Vineyard U.S.A. took time out of his busy schedule to come and minister and counsel us. We really appreciate Joel. He has been a pastor for over 20yrs. Now he is serving as an area pastor serving and ministering to Vineyard pastors.

The retreat was a great time to reconnect with friends and colleagues. We had a ministry time in the morning. Afternoon was lunch time and beach time fun time. After dinner was a time to play cards, converse, and just hangout together.

This was a real encouraging time together. I always feel refreshed and encourage and ready to get back to the mission. This is an important part of mission Life here with the Xingu Mission. I'm very grateful to our leadership that makes this time together a priority as a part sustaining us on the field.

So, I also want to acknowledge financial partners that have been faithful for now over 10years. It is a great privilege to be serving here in Brazil. With out your support it would not be possible. Thank you so much!

I've preached a few times already this year. And this Sunday March 9th, I will be preaching again. I do feel this is the direction the Lord has given me. For some time I could see myself doing this. But, the language has always been a question. But, I discovered, having things written down, practicing and having a coach has gone a long way to overcome doubts. I'm excited about what I'm doing.
