Junho 2025

Hello everyone, this is part two of catching up with the NEWSLETTERS. First I want to say thanks for your participation with this ministry. I really appreciate your prayers and financial support. So, this month's letter is about what I'm doing at the church. If you have been reading the letter for a while you know I've been preaching and playing the bass. To be clear this was not my idea to preach.

Many years ago while at Vineyard Columbus Rich Nathan in a sermon related to ministry stated, There are some of you God is trying to set down. Others of you He is trying to get you to stand up on the stage and speak. I saw myself with a large hand in the middle of my back pushing me forward, but, my heels were dug in to the floor with my legs flexed saying Noooo Thanks! It's funny how God gets his way. He is very sweet about it as well. So, just saying that I wasn't trying to get on stage.

So, I'm in a supporting role here at Vineyard Macapá. The Mission Xingu's vision is to plant churches, train leaders, and then place them in leadership positions. I'm supporting the church in these capacities as further development occurs.

So that is all for June. Thanks once again for your prayer and support. I'm praying Breakthrough for you!
