NEWSLETTER

April 2026

Hello everyone, Glad you are interested in the NEWSLETTER and the things here at VINEYARD MACAPA.

I want to thank you for your continued prayer and financial support that is given every month. Projects related to infrastructure, ministries, and other needs that arise, would not be facilitated without your generosity. Thank you for your faithfulness!

The roof project has been delayed for some time due to rain and the curing process of the concrete. But, there has been some work done recently to prepare for the metal rafters that are to be installed next. So, we are hopeful the last phase will get started and finished soon.

I wanted to follow up from last month letter about Anthony. He has been attending services rain or shine. He is involved with the media team as well.

It is a real blessing to see God move in his life. Please pray for him.

The photos below show some of the progress. Please keep praying for us! Blessing Bob Leshner
