JULY 2026

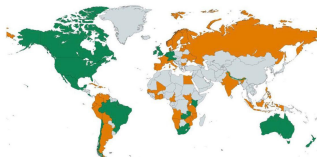

Hey everyone, Hope you are doing well. This month's letter is an update from last month conference in San Paulo. I wasn't planning to attend but, last minute decision put me on a hurry up schedule to get ready to go.

I went with Pastores Leo and Leda, and Denise Meyer and members of their church leadership team. It was quite a trip including an arineline, bus and a resort shuddle.

I was able to see some people I hadn't seen for some time. I also met a young man from the Netherlands and his wife who is Brazilian. They have a church Belgium. So, I hope to stay in contact with him
The key note speakers were John and Eleanor Mumford.

This was the first time I heard them speak. I was very impressed with their energy, and their enthusiasm for Jesus and things happening with the Vineyard.

● Nations in which there are Vineyard churches in AVCs
● Nations in which there are Vineyard churches, not in AVCs

one of the things that really impress me is how fast the vineyard is growing throughout the world and especially in Asia. They say that there's more churches not registered with the vineyard than there is registered. So I thought that was incredible.

The map that I included illustrates this really well

Okay friends that's it for this month. Just a short update on what's been happening. Thank you so much for your support.

I want you to know that I'm going to be returning to the United States this August. So this will be the last newsletter for the year. I hope to see you at VCDC some time this fall!
